Your School Senior Portrait Official Photographers
www.grynnandbarrett.com

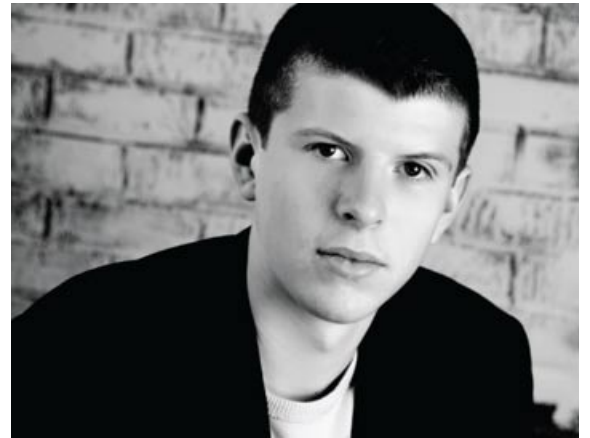

You're center stage.

It's your time. You've reached senior year and it's time for your formal senior pictures. You'll only be a senior in High School once! Get your one-of-a-kind senior portrait experience at Grynn & Barrett, your official school senior portrait studio.

Welcome Class of 2011

One of your first responsibilities as a senior is to have your portrait taken at Grynn & Barrett Studios. As the official Senior portrait photographer for your school, G&B will automatically deliver your portrait to the school, so you are sure to be included in the yearbook. Call 800-639-2104 to schedule your appointment today or go online to www.grynnandbarrett.com and use your personal password, which can be found on the address label of this piece. Studio time fills up fast. Have your credit card ready to pay for your session. Call or go online today to get a session time that is right for your schedule.

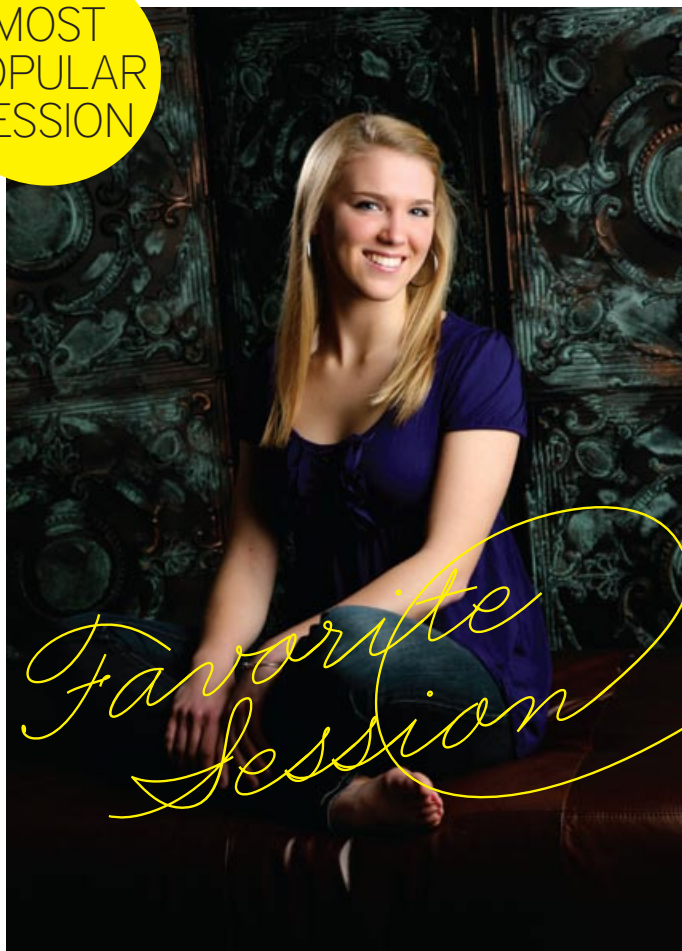

WHAT TO DO

ABOUT YOUR PROOFS ∇

- Within 3 business days of your session, your proofs can be viewed with your personal url.
- Please know that you will be looking at low-resolution proofs with a watermark on them. Your final pictures will be delivered without the protective watermark and will be balanced for color and density.
- At your session, you will receive a helpful planning guide that includes information to help you view your proofs online.
- Also at your session, you will choose a convenient appointment time for a screen share consultation with a Grynn & Barrett associate to make your choices and customize your picture package.
- Please note that your school may have specific yearbook requirements. Go to www.grynnandbarrett.com/ybrequirements to view these requirements, so you can prepare properly.

TIPS TO LOOK YOUR BEST

CLOTHES:

Dress head to toe for all sessions!

HAIR:

We leave your hair up to you. If you plan a hairstyle change, do so at least a week before your session. Guys, too much gel appears shiny in photographic light, so less is more! We recommend hair products with a matte finish.

GROOMING: Guys, if you forget to shave, we cannot remove stubble or facial hair from your photo.

SUN EXPOSURE: Avoid excessive exposure to the sun for several days prior to your session. Advanced

retouching at an additional cost would be required to remove sunburns and tan lines.

COMPLEXION: Our digital retouching clears minor blemishes completely. If you have shiny skin, try a light dusting of translucent powder.

MAKEUP: Ladies, if you are not having makeup applied, using light makeup that accents the eyes, cheeks and lips is best. Wear a little more mascara than usual. A light layer of foundation helps to blend the skin tone. Bring lipstick and powder for touch-ups. If you are having a makeup add-on, please

come in with a clean face.

NAILS: Keep in mind that your hands may show in some of your portraits. Hands and fingernails should be neatly groomed.

BRACES: Smile naturally and confidently. You can have braces removed digitally from your order, for an additional fee.

PERSONALIZE WITH PROPS:

Maximize the fun of your Favorite or Expression session by bringing musical instruments, hobby items, artwork, trophies, sports gear, a costume, a uniform, or whatever else represents you!

IMPORTANT YEARBOOK INFO:

View your school's specific yearbook photo requirements at www.grynnandbarrett.com/ybrequirements.

When should I schedule my appointment?

Do it now. If you wait, others will get the best appointment times and summer will be over before you know it. You'll also avoid the last minute rush and the August heat. Hint: Make your senior appointment the same day as your friends and include them in your custom session.

Do I need to pay anything at the time of my session?

Session fees are due when you book your session. Finished portraits are not included in the price of the session. At the time of your session, take advantage of the \$200 prepayment option to receive a free 8x18 banner.

What do I wear for my yearbook photo?

Yearbook requirements are decided by your school. Visit www.grynnandbarrett.com/ybrequirements for your school's specific requirements.

For Classic Sessions, ladies, wear a solid color top with sleeves (preferably long sleeves). Guys, choose a solid color blazer with shirt and tie or a long-sleeved solid color shirt in medium to dark shades, with or without a tie.

Can I bring my own props?

If you schedule an Expression or Favorite session, we encourage you to bring personal items that will show off your individual personality.

When will I see my proofs?

They will be available online within 3 business days.

Where can I see G&B products, specials and prices?

Visit www.grynnandbarrett.com/seniors to see all of our offerings.

What does retouching cover?

Standard retouching smooths over fine lines, minor blemishes and flyaway hair. This is included with any product or print you order. Advanced Retouching is \$24 per pose and covers removal of braces, severe facial blemishes, teeth whitening and minimizes severe sunburn.

How do I place my order?

Together, we'll schedule an at-home screen share appointment approximately 7 days after your sitting. You will also have the option to order by order form.
